

Canyon 2 Downlighter

The Canyon 2 recessed led downlighter has a white reflector with the light source recessed within the die cast housing

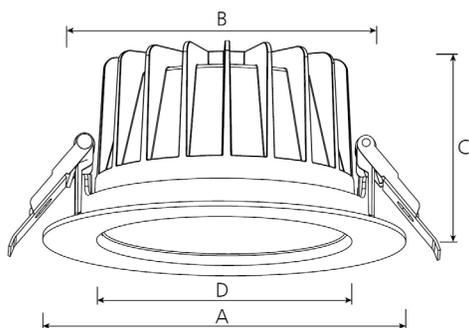

This provides a nice soft even diffused light effect without the inherent glare of a completely flush panel light

It is an ideal choice in a range of applications required to satisfy the minimum lux requirement of Part M of the Building Regulations

Ideal for use in public areas such as corridors, receptions, lobbies & stairwells

It also has an IP54 ingress protection rating making it an aesthetic option for toilet / WCs

Finish	White RAL 9016
Wattage	18W
Voltage	AC200-240VAC
Light Source	LED SMD
CCT	3CCT (3000K/4000K/5700K)
CRI	≥80
Lumens	1600-1950
Beam width	80 °
LED Driver	Remote
Dimmable	No
Material	Aluminium /PC

3-CCT in 1 Lamp
Slide switch for color selection
