

# Dab Linear Suspension

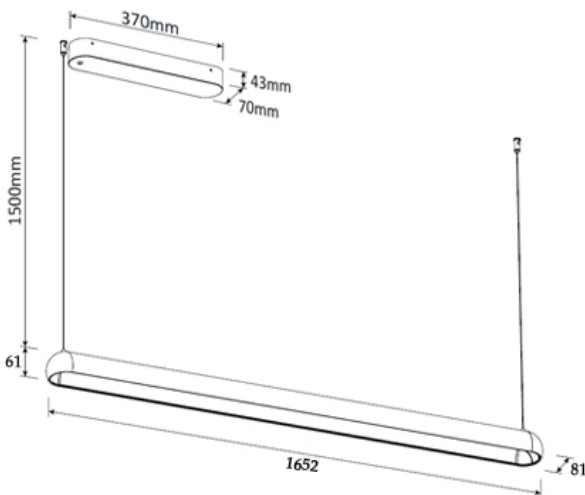

The DAB linear suspension with a semicircular structure provides both up and down lighting. The aluminium housing ensures excellent heat dissipation

High luminous flux makes it ideal for offices or workshops etc

The combination of the lens and reflector achieves a low anti-glare UGR rating of <19

Fixture comes as 1652mm length with 1500mm suspension cable

Finish	Black
Wattage	60W
Voltage	AC220-240VAC
Light Source	LED SMD
CCT	3000K
CRI	≥80
Lumens	6000
Beam width	Up to 110 °/Down 60 °
LED Driver	Built in ceiling plate
Dimmable	No
Material	Aluminium
