

## Lina Linear Track [White]

The Lina 3-circuit track fitting with linear form factor and polycarbonate cover produces a soft wide beam of light, which allows it to act as a 'fill' light where required

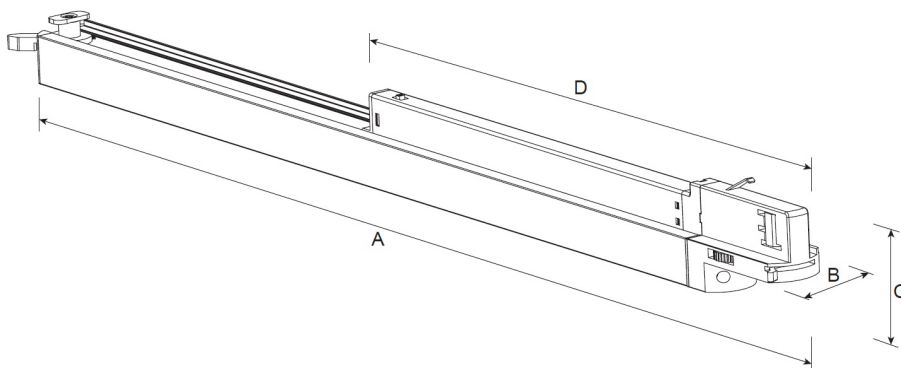

This can alleviate the harsh contrast of light/dark areas which can occur when just exclusively using track spotlights only

Used as a background additional light source in supermarkets, specialty retail stores, shop windows or exhibition halls

It has the added versatility of being able to change the colour temperature of the light by simply pushing the slide switch located on the side of the fitting

Finish	White
Wattage	10W
Voltage	AC220-240VAC
Light Source	LED SMD
CCT	3CCT 3000K/4000K/5700K
CRI	≥80
Lumens	1000
Beam width	110 °
LED Driver	In built
Dimmable	No
Material	Aluminium/PC

A - 650mm  
B - 32.5mm  
C - 52 mm  
D - 436mm
