

Matrix Triproof Linkable Batten Light

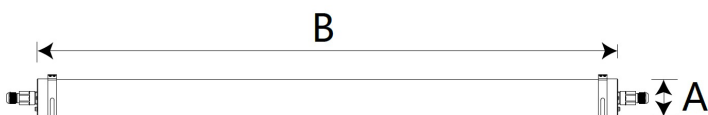

The Matrix comes with waterproof glands at each end of the fitting making it an easy linkable solution for industrial applications

It has a polycarbonate tubular cover providing a uniform soft light output 140° beam

It is also provided with special clip on brackets allowing for easy installation and adjustment of the installation angle

With IK10 impact protection level & IP66 rating it is an ideal solution for factories, warehouses, workshops & other environments with high humidity & dust levels. The form factor provides for an easy cleaning solution

Finish	White Aluminum
Wattage	45W
Voltage	AC220-240VAC
Light Source	LED SMD
CCT	4000K
CRI	≥80
Lumens	5500
Beam width	140°
LED Driver	In built
Dimmable	No
Material	Aluminium/PC

A - 75.2 mm
B - 1500mm
